

# “Move-it, Move-it” on Monday!

## Physical Development for Preschoolers

California Preschool Learning Foundations, Volume 2

Research shows that movement enhances brain growth. This full-day interactive workshop will focus on the three strands of the Physical Development domain; Fundamental Movement Skills, Perceptual-motor Skills and Movement Concepts, and Active Physical Play. Share in the joy and fun of physical movement and help children become happy, active, life-long movers and shakers! **Wear your comfortable clothes** and be ready to learn new strategies you can use to help your preschoolers “move-it, move-it” on Monday!
